

Dear Parents,

On behalf of the staff at Newton International Academy Smash, I am happy to welcome you to the 2024-25 school year! We are looking forward to a productive partnership with you to ensure our children can achieve their highest potential. We recognise that to be successful in school, our children need support from both home and school. We know a strong partnership with you will make a significant difference in your child's education.

Children must come to school prepared for the day and have everything they need. Writing books will be supplied by Newton International School.

Please find a list of things children will need for their year group. These are essential items. Kindly ensure that all stationery and school clothes (especially jackets and jerseys) are labelled with your child's name.
