April Newsletter

Dear Parents,

It has been a busy month filled with great activities at school. We appreciate those of you who have attended events, including workshops, Iftar, weekend running events, and those who support their child's learning each day.

As the school year begins to draw to a close, we kindly ask for your assistance in ensuring that lost property finds its way back to its rightful owners. We have accumulated a significant amount of lost uniforms throughout the year, and we would greatly appreciate it if you could spare some time to come and check for any items that may belong to your child. Please visit the lost property area before the end of the year to reclaim any missing uniforms.

Your opinions matter. Please can we ask you to complete this very quick survey to help us reflect on what works, what needs to be changed and what isn't working for us. We take your feedback seriously and use the information from these surveys to help us drive school improvement. Parent Survey

As the sun is getting hotter please do not forget to provide a hat and water bottle for your children. We also recommend that you put sunscreen on your children before school each day.

As we approach the end of the year, it's important to stay organised. Homework packs have been set up to support revision. You can start going through previous weeks' homework to prepare for your child's exams in June. It's important for your child's well-being to have a sensible timetable that allows time for studying, revising, and doing things they enjoy.

Our recommended study times are as follows:

Year 1 and Year 2 - no more than 45 minutes a day,
Year 3 and 4 - no more than 1 hour a day,
Year 5 and 6 - no more than 1.5 hours a day.
KS3 - 2 hours a day.

Ensure your child has a clear, quiet, and well-lit space to study at home. If you are having difficulty, please speak with the class teacher, and they will support you.

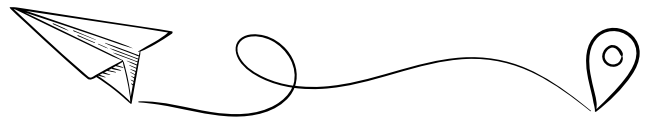

Next week, we will be focusing on mental health. Please take time to discuss the importance of mental health at home and how your family engages in activities to ensure healthy bodies and minds.

Please take note of the upcoming dates.

Thank you for your ongoing support.

Book Week

Our Book Week adventure has come to an end, and what a journey it's been! With the theme "Old worlds, new worlds, other worlds," we explored the magical realms of Aaron Becker's books: "Journey," "Quest," and "Return."

Throughout the week, students unleashed their creativity in writing and costume competitions, bringing characters to life from far-off lands and fantastical places.

Parents joined us for workshops and showcasing days, adding to the fun and reinforcing the importance of reading in our community.

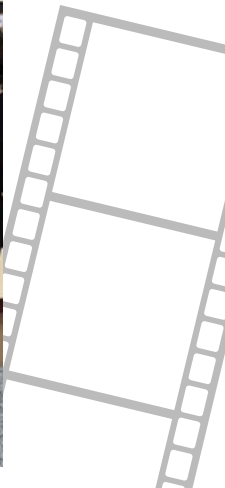

As we say goodbye to Book Week, let's remember the joy of discovering new stories and the endless worlds waiting for us within the pages of a book. Thanks to everyone who made this year's Book Week unforgettable. Together, we've proven that when we dive into the world of storytelling, the possibilities are endless!

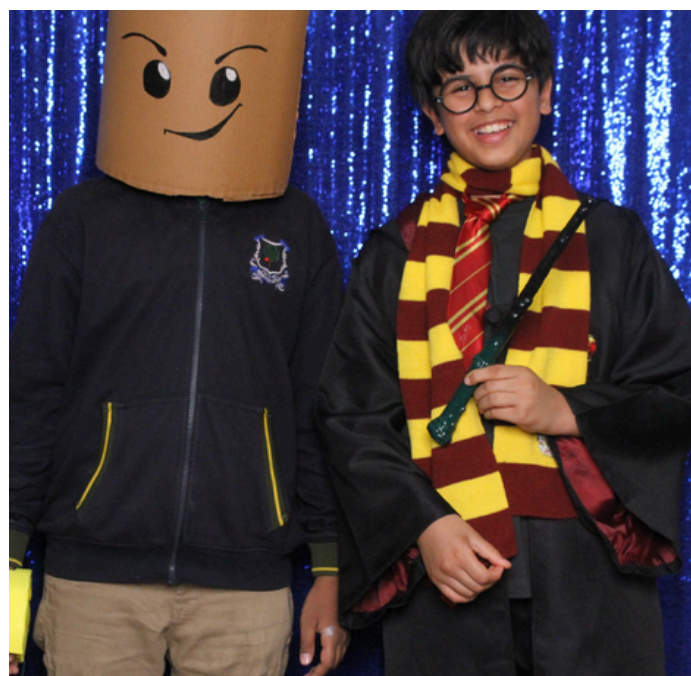

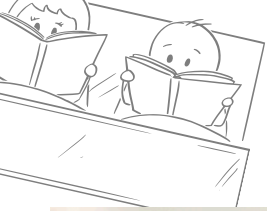

Can you guess which book character I am?

Amazing Achievements

Hazel 4B showed off her truly amazing archery skills by coming second place at Lusail Shooting Archery Academy. Hazel competed in the under 9's category competing alongside nine other children.

Nouran 8R really showed off her impressive basketball skills and was chosen to play in the first junior NBA season/league in Qatar with her basketball team (FAME academy).

Congratulations to Sheena Y7 for having her writing acknowledged and published in the Once Upon our Minds International Story competition. Sheena has traveled with her family to celebrate the launch of the book her work will be published in during the Enlit Literature Fest.
