

Communication Department

Here at NBA Al Dafna, the most effective way to communicate with your child's class teacher is via Class Dojo. Teachers and leaders regularly use Class Dojo and we warmly invite you to do the same. In most cases, teachers will respond to you within one working day and they will always try to find a mutually convenient time to meet with you in person.

Ms. Racha is our Parent & Student Affairs Officer, who is highly skilled in providing you and your children with support when required. Ms. Racha is readily available for the children throughout the school day and is based at the end of the ground floor corridor between the Principal and Head of Primary's offices. Ms. Racha is always ready to listen and to provide the support needed in order to resolve most scenarios encountered in school.
